

**MASSACHUSETTS GENERAL HOSPITAL (MGH) AND MCLEAN HOSPITAL
DEPARTMENT ADMINISTRATION**

NAME	AREAS OF EXPERTISE
<p>Scott Rauch, MD President and Psychiatrist in Chief, McLean Hospital Chair of Partners Psychiatry and Mental Health (PPMH)</p>	<p>Neuroimaging in psychiatry, anxiety and obsessive compulsive disorders, neurosurgical treatment of psychiatric disorders</p>
<p>Jerrold Rosenbaum, M.D. Chief of Psychiatry Massachusetts General Hospital</p>	<p>Psychiatric Administration, psychopharmacology, anxiety disorders</p>
<p>Michael Jellinek, M.D. Chief, Child and Adolescent Psychiatry Service Massachusetts General Hospital President, Newton Wellesley Hospital</p>	<p>Child psychiatric disorders in pediatric office practice, child abuse and neglect, substance abuse prevention in adolescents, consultation psychiatry, administrative psychiatry, health care delivery systems, development of the Pediatric Symptom Checklist (PSC)</p>
<p>Joseph Gold, M.D. Chief Medical Officer Director, Child and Adolescent Program McLean Hospital Director, Community Child Psychiatry Services Partners Psychiatry and Mental Health</p>	<p>Clinical programs and special education schools design and development, joint advocacy with pediatrics, consultation to and training of primary care pediatricians in child mental health, Asperger's and autism spectrum disorders</p>
<p>Eugene V. Beresin, M.D. Director, Child and Adolescent Psychiatry Residency Training, Massachusetts General Hospital and McLean Hospital Medical Director, Outpatient Child Psychiatry Clinic, Massachusetts General Hospital</p>	<p>Eating disorders, psychiatric residency training, personality disorders, psychotherapy, community outreach, mental health and the media, medical student education</p>
<p>Steven C. Schlozman, M.D. Associate Director, Child and Adolescent Psychiatry Residency Training, Massachusetts General Hospital and McLean Hospital</p>	<p>Consultation to liver transplant team, psychotherapy, psychiatric education, school psychiatry, consultation psychiatry, psychiatry and literature, history of psychiatry</p>
<p>Ronald Kleinman, MD Chief, Department of Pediatrics MassGeneral Hospital for Children</p>	<p>Pediatric GI illnesses, pediatric administration</p>
<p>Dennis Norman, Ed.D. Chief of Psychology, Massachusetts General Hospital Faculty Chair, Native Health Program Harvard University Native American Program</p>	<p>Telepsychiatry, native health and wellness, cross-cultural issues in mental health</p>
<p>David Holtzman, M.D., Ph.D. Director, Pediatric Neurology Rotation Massachusetts General Hospital</p>	<p>Metabolic disease, mitochondrial encephalopathy, intensive care pediatric neurology</p>
<p>Elaine E. Almeida Program Manager Child and Adolescent Psychiatry Residency Massachusetts General Hospital and McLean Hospital</p>	<p>Coordinator of psychiatry residency training program</p>
<p>Jenna Venuto Research Assistant to Dr. Beresin and Elaine E. Almeida in residency training, Massachusetts General Hospital and McLean Hospital</p>	<p>Community outreach, psychiatry research</p>

PRIMARY TEACHING FACULTY

NAME	AREAS OF EXPERTISE
Nicole Abenaim, MEd Behavior Analyst, Kennedy Hope Academy	Positive behavioral support variant of applied behavioral analysis
Steven Ablon, M.D. MGH	Psychoanalysis, psychotherapy, affect, play, self-esteem, dreams, twins
Stuart Ablon, Ph.D. MGH	Psychotherapy outcome research, psychotherapy, group therapy
Annah Abrams, M.D. Consultation Service, MGH	Pediatric hematology-oncology (treatment of psychiatric disorders in children with cancer and children of parents with cancer)
Mary Ahn, M.D.	Addiction Psychiatry, Mileau Treatment, Psychotherapy, Psychopharmacology
Blaise Aguirre, M.D. Attending, McLean	Acute and partial treatment for borderline personality disorder program
Barry Anechidarico, L.I.C.S.W. Arlington School, McLean Hospital	Assessment and treatment of sexual disorders
Catherine Ayoub, R.N., Ed.D. Children and the Law Service, MGH	Legal mental health issues with children (in particular, traumatized children), child sexual abuse, Munchausen by proxy, children with chronic illness, children at risk, prevention programming
Richard Barnum, M.D. Child and the Law Service MGH	Forensic consultation process, juvenile delinquency, child abuse and neglect
Margaret Bauman, M.D. Attending Pediatric Neurologist, MGH and Shriver Center for Mental Retardation Director, LADDERS Program	Neuroanatomical abnormalities in early infantile autism, developmental neuroanatomy, clinical outcome in children with infantile apnea, learning disabilities
Suzanne Bender, M.D. Consultation Service, MGH	Pediatric gastroenterology and psychiatric issues, teaching psychotherapy to residents
Eugene V. Beresin, M.D. Director, Child and Adolescent Psychiatry Residency Training, MGH and McLean Hospital Medical Director, Outpatient Child Psychiatry Clinic, MGH	Eating disorders, psychiatric residency training, personality disorders, psychotherapy, community outreach, mental health and the media
Joseph Biederman, M.D. Chief, Pediatric Psychopharmacology, MGH	Attention-deficit disorder in children, adolescents and adults, obsessive-compulsive disorders in children and adolescents, high-risk studies of children of parents with major psychopathology, pediatric psychopharmacology, pharmacotherapy of juvenile anxiety disorder, novel pharmacological approaches to ADHD
Ellen Blumenthal, M.D. MGH	Psychoanalysis, psychotherapy, eating disorders, gender identity disorders
Jeffery Bostic, M.D., Ed.D. Director, School Psychiatry, MGH	School consultation techniques, pediatric psychopharmacology, mood disorders in children, classroom techniques for children with psychopathology
Susan Brooks, Ph.D. Kennedy Hope Academy McLean Hospital	Autistic spectrum disorders

PRIMARY TEACHING FACULTY

<p>Ralph Buonapane, Ph.D. Program Director, McLean-Franciscan Inpatient Unit</p>	<p>Strength-based approach to restraint reduction</p>
<p>Lucianne Cahen, M.D. Child and Adolescent Consultant Spaulding Rehabilitation Hospital</p>	<p>Psychiatric aspects of medical conditions in children, adolescents and families</p>
<p>Thrassos Calligas, M.D. Psychiatrist-in-Charge, Inpatient Unit McLean-Franciscan Children's Hospital</p>	<p>Inpatient treatment, residential treatment, psychotherapy, PTSD, eating disorders</p>
<p>Michael Cameron, Ph.D. Kennedy Hope Academy McLean Hospital</p>	<p>Applied behavior analysis</p>
<p>Linden Cassidy, M.D. MGH</p>	<p>Community psychiatry, psychotherapy consultation to outpatient pediatricians and primary care providers</p>
<p>Attila Ceranoglu, M.D. MGH</p>	<p>Community psychiatry, psychotherapy, psychopharmacology</p>
<p>David Chedekel, Ed.D. Chief Psychologist Shriners Burns Institute</p>	<p>Psychological adaptation of adolescent burn victims, body image issues in burn patients, PTSD in burned children, psychological effects of learning disabilities on adolescent development, long-term adjustment to disfigurement and disability, psychotherapy</p>
<p>Andrew Clark, M.D. Children and the Law Service, MGH</p>	<p>Forensic child and adolescent psychiatry</p>
<p>Bayard Clarkson, M.D. MGH and McLean Hospital</p>	<p>Affective illness, particularly intergenerational issues, adolescent development, longitudinal studies in child and adolescent psychiatry, psychoanalysis, psychotherapy</p>
<p>Karen Clasby, MEd Head of School, Arlington School McLean Hospital</p>	<p>Special education curriculum and administration</p>
<p>Marcia Conant, Ph.D. Kennedy Hope Academy McLean Hospital</p>	<p>Long-term care, co-morbid psychiatric and development disorders</p>
<p>Donald Condie, M.D. MGH</p>	<p>Forensic psychiatry, effects of child abuse and neglect, post-traumatic sequelae of child abuse/child mistreatment, contested custody litigation/mediation, general hospital response to suspected child maltreatment, psychopharmacology for abused/neglected children, dissociation</p>
<p>Alice Curnin, L.I.C.S.W. MGH</p>	<p>Treatment of children and families coping with chronic illness, assessment and treatment of children with developmental delay and/or learning problems, psychotherapy and women's issues</p>
<p>Nicole Danforth, M.D. MGH</p>	<p>Sports psychology, general child psychiatry</p>
<p>Christine Darsney, Ph.D. Children and the Law Service, MGH</p>	<p>Trauma, sexual and physical abuse, forensic child and adolescent psychiatry, high-conflict divorce, juvenile delinquency</p>
<p>Esther Dechant, M.D. Medical Director, Klarman Eating Disorders Center McLean Hospital</p>	<p>Eating disorders, residential care, psychoanalysis</p>
<p>Robin Deutsch, Ph.D. Children and the Law Service, MGH</p>	<p>Forensic child and adolescent psychiatry</p>
<p>Jeanne Dolan, M.D. McLean Southeast Adolescent Acute Residential Treatment Unit</p>	<p>Consultation to primary care pediatricians, residential care</p>

PRIMARY TEACHING FACULTY

<p>Abigail Donovan, M.D. MGH</p>	<p>Associate director of emergency psychiatry services, psychiatric administration, general child psychiatry, first episode psychosis</p>
<p>Alysa Doyle, Ph.D. MGH</p>	<p>Cognitive and behavior therapy, developmental neuropsychology, psychiatric genetics, ADHD, conduct disorders, learning disorders, pervasive developmental disorders</p>
<p>Rob Doyle, M.D. MGH</p>	<p>Pediatric psychopharmacology, pervasive developmental disorders</p>
<p>Emma Draidman, Ph.D. Franciscan Children's Hospital</p>	<p>Neuropsychology</p>
<p>Stephen Durant, Ed.D. Coordinator of Child Psychology Training, MG</p>	<p>Child and adolescent psychotherapy, child trauma, psychological testing, family and couples therapy, father-son relationship, sports psychology</p>
<p>Richard Falzone, M.D. McLean Hospital</p>	<p>Addiction psychiatry, psychopharmacology, psychotherapy, use of videotape in clinical practice and psychiatric education</p>
<p>Marcos Favero, M.D. MGH</p>	<p>Psychopharmacology; metabolic disorders; childhood psychosis, community service</p>
<p>Ellen Feldman, L.I.C.S.W. MGH</p>	<p>Child abuse, clinical social work in a pediatric hospital setting</p>
<p>Gretchen Felopulos, Ph.D. MGH</p>	<p>Neuropsychological and psychological testing for children and adolescents</p>
<p>Anne Fishel, Ph.D. Director, Family and Couples Therapy Program, MGH</p>	<p>Family and couples therapy, normative family development, reflecting team consultation, adolescents and family therapy, transition to parenthood, systemic therapy</p>
<p>Susan Flood, Ph.D. DMH Children's Special Care Unit, MGH</p>	<p>Forensic child psychiatry</p>
<p>Linda Forsythe, M.D. MGH</p>	<p>Psychopharmacology, community psychiatry, family development psychiatry including adoption/foster care, treatment of ADHD through life cycle, environmental vs. genetic risk factors for ADHD, training mental health professionals in areas of adoption, adolescent depression</p>
<p>Miriam Friedin, M.D. McLean Hospital</p>	<p>Psychotherapy</p>
<p>Alicia Gavalya, M.D. MGH</p>	<p>Psychoanalysis, psychotherapy, short-term dynamic psychotherapy</p>
<p>Barbara Geller, L.I.C.S.W. Clinical Social Work Supervisor, McLean Hospital</p>	<p>Treatment of children and families with severe psychiatric impairment, female adolescence</p>
<p>Daniel Geller, M.D. MGH</p>	<p>Obsessive-compulsive disorder, tic disorders, psychopharmacology, developmental disabilities</p>
<p>Anna Georgiopoulos, M.D. MGH</p>	<p>Consultation to cystic fibrosis clinic, psychopharmacology, psychotherapy, women's mental health</p>
<p>Lisa Ginivisian, OTRL Occupational Therapist, Pathways Academy McLean Hospital</p>	<p>Sensory motor integration</p>
<p>Richard Ginsburg, Ph.D. MGH</p>	<p>Group psychotherapy, exercise in obesity, sports psychology and character in sports</p>

PRIMARY TEACHING FACULTY

<p>Anthony Giuliano, Ph.D. McLean Hospital</p>	<p>Neuropsychological testing, early onset psychosis, early onset bipolar disorder, traumatic brain injury</p>
<p>Joseph Gold, M.D. Director, Child and Adolescent Program McLean Hospital Director, Community Child Psychiatry Services Partners Psychiatry and Mental Health</p>	<p>Clinical programs and special education schools design and development, joint advocacy with pediatrics, consultation to and training of primary care pediatricians in child mental health, Asperger's and autism spectrum disorders</p>
<p>Jessica Goldstein, Ph.D. McLean Hospital</p>	<p>Case management, psychotherapy</p>
<p>Emily Gordon, Ph.D. McLean Acute Residential and Partial Hospital Program</p>	<p>Dialectical and cognitive behavior therapy</p>
<p>Ross Greene, Ph.D. MGH</p>	<p>Child behavior and cognitive therapy, relaxation techniques, attention deficit disorder</p>
<p>Lynn Grush, M.D. MGH</p>	<p>Perinatal psychopharmacology, infant psychiatry, developmental disabilities, school consultation</p>
<p>Paul Hammerness, M.D. MGH Newton Wellesley Hospital</p>	<p>Psychopharmacology, pediatric/adolescent/adult ADHD, juvenile bipolar disorder, outpatient evaluations and consultations to pediatricians</p>
<p>Eric Hazen, M.D.</p>	<p>Psychotherapy, psychopharmacology, psychiatric aspects of pediatric gastrointestinal disease</p>
<p>Aude Henin, Ph.D. MGH</p>	<p>Cognitive-behavioral psychotherapy, childhood anxiety disorders, childhood bipolar disorders</p>
<p>Charles Alfred Henry, M.D. MGH</p>	<p>Psychopharmacology; developmental disorders</p>
<p>Frank Hernandez, Ph.D. Franciscan Children's Hospital</p>	<p>Psychological evaluation</p>
<p>David Herzog, M.D. MGH</p>	<p>Eating disorders, consultation-liaison to pediatrics, psychosomatic disorders, psychotherapy</p>
<p>Michael Hollander, Ph.D. Senior Consultant to Adolescent Program, McLean Hospital MGH</p>	<p>Group, family and individual treatment of adolescents, consultation, milieu therapy, character disorder, dialectical behavior therapy</p>
<p>David Holtzman, M.D., Ph.D. Director, Pediatric Neurology Rotation, MGH</p>	<p>Metabolic disease, mitochondrial encephalopathy, intensive care pediatric neurology</p>
<p>Tia Horner, M.D. MGH</p>	<p>Community child psychiatry, international child psychiatry, the care of adults and children with congenital heart disease</p>
<p>Michael Jellinek, M.D. Chief, Child and Adolescent Psychiatry Service, MGH President, Newton Wellesley Hospital</p>	<p>Child psychiatric disorders in pediatric office practice, child abuse and neglect, substance abuse prevention in adolescents, consultation psychiatry, administrative psychiatry, health care delivery systems, development of the Pediatric Symptom Checklist (PSC)</p>
<p>Gagan Joshi, M.D. MGH</p>	<p>Pediatric psychopharmacology, juvenile bipolar disorder, obsessive-compulsive disorder, autism spectrum disorders</p>

PRIMARY TEACHING FACULTY

<p>John Julian, M.D. Director, Developmental Disorders Unit McLean-Franciscan Program</p>	<p>Mental retardation and psychiatric disorders, autism/PDD</p>
<p>Deborah Kadish, M.D. MGH</p>	<p>Early child development, consultation to pediatrics, psychotherapy</p>
<p>Cynthia Kaplan, Ph.D. Administrative Director, Child and Adolescent Programs, McLean Hospital and Program Director, McLean Acute Residential and Partial Hospital Program</p>	<p>Residential and partial hospital treatment, hospital and community systems of care, trauma and the development of psychopathology in childhood and adolescence, program outcome research</p>
<p>Lawrence Kutner, Ph.D. MGH</p>	<p>Mental health and the media</p>
<p>Suzanne Laughlin, RN, NP Clinical Director, Arlington School, McLean Hospital</p>	<p>Special education needs of psychiatrically ill college-bound high school students</p>
<p>Amy Lim, L.I.C.S.W. Lead Social Worker McLean-Franciscan Inpatient Unit</p>	<p>Family therapy</p>
<p>Susan Lockett, L.I.C.S.W. MGH</p>	<p>Domestic violence, clinical social work in pediatric intensive care setting, outpatient practice focusing on trauma in women: incest, loss, dysfunctional families</p>
<p>Susan Madelbaum, L.I.C.S.W. Coordinator, Case Management McLean Acute Residential and Partial Hospital Program</p>	<p>Family therapy</p>
<p>Vaughn Mankey, M.D. MGH</p>	<p>Psychiatric Education, psychiatric consultation-liaison, parent guidance, psychotherapy, psychopharmacology, psychiatric education</p>
<p>Bruce Masek, Ph.D. Clinical Director, Outpatient Child and Adolescent Psychiatry Executive Director, Cognitive and Behavior Therapy Programs, MGH</p>	<p>Child behavior therapy, biobehavioral treatment in pediatric chronic illness, anxiety disorders in children, pediatric behavioral medicine, cognitive-behavior therapy, quality of life in pediatric chronic illness, chronic pain</p>
<p>Jeanne McKeon, M.D. MGH</p>	<p>Families and couples, substance abuse treatment</p>
<p>Carol McSheffrey, L.I.C.S.W. MGH</p>	<p>Couples and family therapy, family therapy when one member has a chronic illness, transition to parenthood for adoptive parents, mothers and daughters</p>
<p>Karen Melikian, Ph.D, L.I.C.S.W. Kennedy Hope Academy</p>	<p>Family therapy, Department of Social Service System</p>
<p>Roslyn Menitoff, L.I.C.S.W. McLean Hospital</p>	<p>Psychotherapy, latency age</p>
<p>Donna Miller, L.I.C.S.W. MGH</p>	<p>Group psychotherapy with incest survivors, group psychotherapy with women who have eating disorders</p>
<p>Martin Miller, M.D. MGH</p>	<p>Psychoanalysis, and child psychoanalysis, child development, psychotherapy</p>

PRIMARY TEACHING FACULTY

<p>Ben Molbert, M.D. Medical Director, McLean Brockton Adolescent Acute Residential Treatment Unit</p>	<p>Forensic child psychiatry, consultation to primary care pediatricians</p>
<p>Karen Monroe, M.D. Director of Outpatient Child Psychiatry Clinic McLean Hospital</p>	<p>Psychotherapy, evaluation and treatment of the gifted child</p>
<p>Liana Pe a Morgens, Ph.D. Coordinator CNS Consultation Services and Camp New Connections</p>	<p>Summer day camp for Asperger's teens, social and language pragmatics</p>
<p>Anna (Nina) Muriel, M.D. MGH</p>	<p>Consultation-liaison psychiatry, psychotherapy, Cancer Center</p>
<p>Saori Murakami, M.D. MGH, McLean, Franciscan's Childrens Hopsital</p>	<p>Inpatient child psychiatry, child psychiatry pain service, general child psychiatry</p>
<p>Helen Murgida Head of School, Pathways Academy McLean Hospital</p>	<p>Individualized educational planning for Asperger's students</p>

<p>Mireya Nadal, M.D., PhD MGH</p>	<p>Neurobiology of aggression, molecular biology of psychiatry</p>
<p>Margo Nason, Ph.D. McLean Hospital</p>	<p>Learning evaluation clinic</p>
<p>Carryl Navalta, Ph.D. McLean Hospital</p>	<p>Cognitive behavioral therapy, pervasive developmental disorders, case management, social skills</p>
<p>Peter Newbury, M.D. MGH</p>	<p>Psychiatric aspects of neurological conditions, psychiatric consultation to neurology, psychotherapy, psychopharmacology</p>
<p>Steven Nickman, M.D. Director, Adoption and Custody Unit, MGH</p>	<p>Adoption and custody, childhood bereavement, psychological aspects of adoption, loss, change of caretaker and disclosure, psychotherapy</p>
<p>Gil Noam, Dipl. Psych., Ed.D. Director, Laboratory of Developmental Psychology and Developmental Psychopathology, McLean Hospital Director of School-based Prevention and Resiliency Programs, McLean Hospital</p>	<p>Developmental patterns of stress and the self, developmental psychopathology and prevention, child development, longitudinal follow-up of child psychiatric patients, school consultation</p>
<p>Dennis Norman, Ed.D. Chief of Psychology, MGH Faculty Chair, Native Health Program Harvard University Native American Program</p>	<p>Telepsychiatry, native health and wellness, cross-cultural issues in mental health</p>
<p>Jane O'Brien, M.D. Medical Director and Director of Genetics Franciscan Children's Hospital</p>	<p>Clinical genetics</p>
<p>Jacqueline Olds, M.D. MGH and McLean Hospital</p>	<p>Inpatient management of children and adolescents, use of childrens' religious ideas in their psychiatric evaluation, patterns of collaboration in successful marriages, psychoanalysis, use of humor in therapy, effects of loneliness on physical and emotional health</p>
<p>Silvio Onesti, M.D. McLean Hospital</p>	<p>Psychoanalysis, psychotherapy, evaluation of the effectiveness of child psychiatric intervention on pathological factors in children, adolescents, and families, identification of high-risk factors in children and adolescents who develop psychopathologic disorders</p>

PRIMARY TEACHING FACULTY

<p>Roya Ostovar, Ph.D. Director of Clinical Services, Pathways Academy McLean Hospital</p>	<p>Asperger's disorder, pervasive developmental disorders</p>
<p>Asha Parekh, M.D. McLean Hospital</p>	<p>Emergency assessments (CEC)</p>
<p>Bina Patel, M.D. MGH</p>	<p>Pediatric consultation, early child development, prevention (Bright Futures in Practice: Mental Health administration Task Force), clinical child psychiatry</p>
<p>David Pauls, Ph.D. MGH and McLean Hospital</p>	<p>Developmental genetics research, Tourette's syndrome, OCD, pediatric psychosis, PDD</p>
<p>David Perna, Ph.D. Coordinator, Anger Management Outpatient Program, McLean Hospital</p>	<p>Cognitive and behavioral interventions for youth with difficulties modulating anger and affect, school liaison, psychotherapy, intensive outpatient treatment/anger management</p>
<p>Mark Picciotto, Ph.D. McLean Southeast Adolescent Acute Residential Treatment Unit</p>	<p>Residential and long-term inpatient treatment</p>
<p>Jeff Pickar, Ph.D. Learning Evaluation Clinic Coordinator of Outpatient Child and Adolescent Psychology and Education, McLean Hospital</p>	<p>Children of divorce, child custody, psychological testing, learning disabilities</p>
<p>Peg Polomski, Ph.D. McLean Acute Residential and Partial Hospital Program</p>	<p>Substance abuse and relapse prevention</p>
<p>Joseph Powers, Ph.D. Director, Center for Social Relations, McLean Hospital</p>	<p>Group dynamics—social intervention, psychodrama, observation of groups and organizations, feedback to families and couples systems, hospital-based group therapy</p>
<p>Laura Prager, M.D. Director, Child and Adolescent Emergency Services, MGH</p>	<p>Psychiatric emergencies, consultation to pediatric endocrinology, emergency room psychiatry, lung transplant, gender identity issues, psychoanalysis, consultation to community-based services</p>
<p>Lisa Price, M.D. MGH</p>	<p>Psychotherapy, play, psychoanalysis, normative development, therapy across developmental lines, couples therapy, parent guidance, consulting to pediatricians, consulting to schools, families conceived through reproductive technology, mentoring residents</p>
<p>Jefferson Prince, M.D. Director, Child Psychiatry Outpatient Clinic North Shore Medical Center</p>	<p>Psychopharmacology, characterization of ADHD, mood, anxiety, and substance use in children, adolescents, and adults</p>
<p>Michael Rater, M.D. Medical Director, McLean Acute Residential and Partial Hospital Program</p>	<p>Residential treatment, psychotherapy</p>
<p>Jennifer Rathbun, M.D. MGH</p>	<p>Psychotherapy, biological correlates of early behavior and interaction patterns, infant sleep, growth patterns, sex differences, microanalysis of interaction, early depression, psychotherapy, caloric intake in infancy</p>
<p>Paula Rauch, M.D. Chief, Pediatric Consultation Service, MGH</p>	<p>Psychological adaptation in medically ill children, coping strategies in children and young adults with cystic fibrosis, supporting families with parents critically ill from cancer, psychosocial functioning in children with dermatological illness, teaching development to medical professionals</p>

PRIMARY TEACHING FACULTY

<p>Lee Reich, Ph.D. Learning Evaluation Clinic McLean Hospital</p>	Neuropsychological testing and interpretation of results with emphasis on educational learning disabilities and treatment
<p>Robert Reifsnyder, Ed.D. MGH</p>	Family and couples therapy, family therapy when one member has an eating disorder, family therapy with adolescents
<p>Elizabeth (Lisa) Robinson, M.D. MGH</p>	Psychotherapy and the intersection of psychodynamic/psychoanalytic/concepts with pharmacotherapy, women's health
<p>John Rodolico, Ph.D. Coordinator, Adolescent Substance Abuse Programming McLean Hospital</p>	Substance abuse, adolescent psychopathology, addiction from a developmental perspective, motivational interviews with adolescent substance abusers
<p>Daniel Rosenn, M.D. McLean Hospital</p>	Obsessive-compulsive disorder, emergency psychiatric treatment, Asperger's disorder, psychotherapy, pervasive developmental delay
<p>Laura Ruegg, L.I.C.S.W. McLean Hospital</p>	Psychotherapy, substance abuse
<p>Fabian Saleh, M.D. MGH</p>	Forensic child psychiatry, psychopharmacology, and psychotherapy
<p>Steven C. Schlozman, M.D. Associate Director, Child and Adolescent Psychiatry Residency Training, MGH and McLean Hospital</p>	Consultation to liver transplant team, psychotherapy, psychiatric education, school psychiatry, consultation psychiatry, psychiatry and literature, history of psychiatry
<p>Lawrence Selter, M.D. MGH</p>	Consultation-liaison to pediatrics, psychotherapy evaluation supervision
<p>Jonathon Simmons, Ph.D. Program Director, Kennedy Hope Academy</p>	Strength-based care, restraint reduction, inpatient and residential care, developmental disorders
<p>Elinor Siner, M.D. MGH and McLean Hospital</p>	Psychoanalysis, psychotherapy, outpatient child psychiatry
<p>Karen Slifka, CNS McLean Hospital</p>	Psychopharmacology, pediatric psychosis and bipolar disorder
<p>Andra Sobran, L.I.C.S.W. Clinical Social Worker MGH</p>	Treatment of adolescents with chronic/severe illness, domestic violence—child abuse/neglect, adolescent pregnancy and parenting, treatment of patients and families with traumatic illness or injury
<p>Linda Specht, M.D. Franciscan Children's Hospital</p>	Pediatric neurology
<p>Thomas Spencer, M.D. Assistant Director, Pediatric Psychopharmacology Clinic, MGH</p>	ADHD in children, adolescents and adults, Tourette's disorder, psychopharmacology, endemiological studies of childhood disorders (family-genetic, high risk)
<p>Andrea Stern, M.D. MGH</p>	Consultation psychiatry, psychotherapy
<p>Evelyn Stewart, M.D. MGH</p>	Obsessive-compulsive disorder, tic disorders, psychopharmacology
<p>Frederick Stoddard, M.D. Chief of Psychiatry Shriners Burns Institute</p>	Consultation-liaison psychiatry, coping and psychopathology in children, PTSD in children, mood disorders and suicide, anxiety and pain management, financing psychiatric services, psychiatric care of injuries in childhood: pain, ASD/PTSD, depression, bodimage, ethics, plastic surgery, staff stress
<p>Andrew Stromberg, M.D. Psychiatrist-in-Charge, Inpatient Unit Franciscan Children's Hospital</p>	Inpatient treatment, child and adolescent diagnostic issues, psychopharmacology, treatment planning of inpatient child and adolescent units
<p>Susan Swick, M.D. MGH</p>	Trauma, bereavement and forensic issues, especially complicated divorce and custody cases

PRIMARY TEACHING FACULTY

Carol Taylor, Ed.D.
MGH

Prevention of childhood physical and sexual abuse, enhancing the legal rights of children who are abused and neglected, life-span development of social responsibility, psychotherapy

Martin Teicher, M.D., Ph.D.
Chief, Developmental Psychopharmacology,
Psychiatric Research Laboratory, Mailman
Laboratories for Psychiatric Research
McLean Hospital

Developmental neuropharmacology of monoamine systems, biological rhythms and depression, locomotor activity in children and adolescents, psychopharmacologic treatment of affective illness and psychosis, effects of early abuse on brain development, diagnosis and treatment of seasonal affective disorder

James Tobin, Ph.D.
MGH

Family and individual therapy with latency-aged adolescent children

Kathleen Trainor, Ph.D., L.I.C.S.W.
MGH

Cognitive and behavior therapy, biofeedback, anxiety disorders

Kathy Tsatsanis, Ph.D.
McLean Hospital

Neurocognition, diagnostic assessments for PDD research

Julie Van der Feen, M.D.
McLean Hospital

Adolescent residential treatment and developmental disabilities

Allison Vara, M.S., CCC-SLP
Speech and Language Therapist
Pathways Academy, McLean Hospital

Social and language pragmatics

Dominique Vo, M.D.
McLean Acute Residential and Partial Hospital Program

Residential adolescent care

Betty Wang, M.D.
MGH

Perinatal psychiatry, psychotherapy, psychopharmacology

Thomas Weigel, M.D.
Klarman Eating Disorder Center,
McLean Hospital

Eating disorders, residential and partial hospital levels

Sharon Weinstein, M.D.
MGH

Psychotherapy; child and adolescent psychiatry

Jennifer White, Ph.D.
Director, Learning Evaluation Clinic, McLean Hospital

Learning disabilities

Timothy Wilens, M.D.
Pediatric Psychopharmacology Clinic
MGH

Psychopharmacology, drug metabolism and EKG studies in children and adolescents, ADHD in children, adolescents and adults, developmental neurobiology and its relationship to psychiatric disorders in children and adolescents, correlates and developmental antecedents of co-morbid mental illness and addictions, drug efficacy studies in OCD in children

Kate Wilson, L.I.C.S.W.
Director, Child Outpatient Group
McLean Hospital

Short-term psychotherapy, adolescents, group treatment with a variety of patient populations

Anna Kris Wolff, M.D.
MGH and McLean Hospital

Psychoanalysis, psychotherapy, child development

Janet Wozniak, M.D.
Pediatric Psychopharmacology Clinic, MGH

Consultation-liaison psychiatry, pediatric psychopharmacology, PTSD, bipolar disorder

Anna Yoo, M.D.
MGH

Psychotherapy, cultural competence, psychiatric education

Linda Zamvil, M.D.
MGH

Bipolar disorder, substance abuse; child and adolescent psychiatry
